Dhanashri Bapat, Watercolourist, Art Instructor, Illutstrator

Originally from Pune, India and now residing in Ottawa, Dhanashri Bapat is an active artist in Ottawa's art scene. Her artistic senses, particularly in painting, have roots that can be traced into her childhood. She earned her Applied Arts degree from Abhinav Kala Academy and worked as a freelance designer in India before focusing on Fine Arts.

Dhanashri primarily uses water colors to best depict her work. She believes that the versatility of this medium helps imbibe her perception of nature. Her paintings speak for themselves as they portray the grace of nature with its delicate nuances.

In her journey as a professional artist in Canada, Dhanashri has many hats to wear now – a watercolorist, art instructor, and an illustrator. She offers her 'Joy of watercolour painting' classes and workshops at various locations in Ottawa. She also enjoys being an illustrator for a variety of magazines.

Dhanashri has to her credit, many successful solo shows and her work has also been showcased at various group and juried exhibitions. She is a juried member of Foyer gallery and an active member of many art societies. Please join us as Dhanashri presents and discusses some examples of her work while sharing her artistic journey.
