Guests and/or spouses are welcome. A guided tour will be organized at the cost of \$8 per person. Everyone participating is responsible for their own gallery admission and tour costs.

"**The Colour Tour** - Colour is used to beautify the world, to express thoughts and feelings or even to provoke. Discover some of the intriguing stories about your favourite colours exhibited in the Gallery's European and International collection. " (Description from gallery.ca website).

After the tour people are invited to continue browsing the gallery exhibits. Departure from the gallery will be at 2:30. Given the unpredictability of weather and traffic, all times are approximate.
