## First Annual WCAS "BBC" Night

How about an evening dedicated to YOUR art and your own artistic growth? That's the idea behind the first annual "Bring, Brag and get Comments" on a piece of your artwork.

Each attending member is invited to bring in a current art work. The design of the evening is to present your piece and then get some feedback.

Perhaps it is a piece that isn't just quite coming together and you would like to get some suggestions as to where to go with that piece?

Perhaps it's a new direction for you and you would like to get some response and/or reactions to the work?

Or maybe it's just a piece that you are particularly fond of and would like to show it off?

Whatever the motivation, bring in a piece of art, mix and mingle with other members, and get a chance to wish everyone a happy holiday.

And, for a little fun, how about a very simple art exchange as a part of the evening. Bring in a small piece of art that you would like to put on the "art exchange" table. At the end of the night, you will get a chance to pick a piece of art in exchange for the piece you brought.

Finally a chance to own something from one of the esteemed WCAS artists :)

Light refreshments and snacks will be provided.
