A WCAS 2017 "BBC" Night

How about a fun evening dedicated to the art that is produced by the wide variety of members in the West Carleton Arts Society? All in a friendly social context. That's the idea behind a WCAS "**Bring, Brag and get Comments**" on a piece of your artwork.

Each attending member is invited to bring in a current art work. The design of the evening is to present your piece in an informal fashion and then tell us a little bit about it. It can be as simple as what you like about it.

Perhaps it's a new direction for you and you would like to get some response and/or reactions to the work? Of course this will only happen if you invite comments/suggestions. The choice is yours.

In addition to our friendly presentation of art, **Judi Miller** has just returned from a **residency** at the **Stiwidio Maelor**, in **Corris, Wales** from April 11 - 26.

We will be starting the evening with Judi's comments and observations about her experiences while there.

You can find some additional info about **stiwidiomaelor** by visiting their website at <https://stiwidiomaelor.wordpress.com/>

So - don't be shy. Come on out and meet other members of the WCAS. Become at least a little acquainted with the work that everyone is doing. And of course, we are not just thinking wall art here - sculptures, 2/3 dimensional, cloth, glass, pottery, clay, iron... all welcome.

Hope to see many of you there.
