West Carleton Arts Society Artist Trading Card Prompt:  
Creating Small Works Of Art

ARTiculate is normally the 3<sup>rd</sup> Wednesday of the month but:

**Please note our date change in December 2016.**

The 3<sup>rd</sup> Wednesday of the month in December falls the week before Christmas and so we have **changed the date to December 7<sup>th</sup>**, the first Wednesday in hopes that many of you can join us earlier in the month when the rush isn't on quite so much.

We are planning a social evening of gathering together and enjoying some refreshments and the annual trading of ATC cards for those participating.

Continue to create and please join us **Wednesday December 7<sup>th</sup>** for a mingle and ATC trade. Once again remember original art only and the size is 2 and ½ inches by 3 and ½ inches
