### Lee Anne La Forge, Abstract & Encaustic Artist

LeeAnne resides in Carp, Ontario and has recently re-launched her career as an abstract, encaustic painter after having taught in the elementary school system for over 30 years.

**"I have been given this wonderful new opportunity to create art for which I am most grateful."**

LeeAnne has moved out of the realism tradition to non-objective abstract painting. "I am in another place now" she says of her new love for her art. It is this passion that compels her to work with colour, texture and shape, constructing and deconstructing, layering and repainting until it feels right. She works intuitively allowing the piece to speak to her." The conversation is always in my head! A little help from Maria Callas, Vivaldi and Chris Botti, put me in that emotional place where I need to be. The outcome is always a surprise to me, my paintings seem to take on a life of their own. "

LeeAnne is represented by Koyman Galleries, Ottawa and will also talk about about her experience with the Koyman Galleries.

"A letter from Paris" (encaustic)

"Refracted Light" (acrylic)
